

# UPDATE # 03

## URBAN UPGRADING PROCESSES

### self-construction workshop

may.11th.2014  
may.18th.2014  
Provaglio d'Iseo  
Brescia, IT

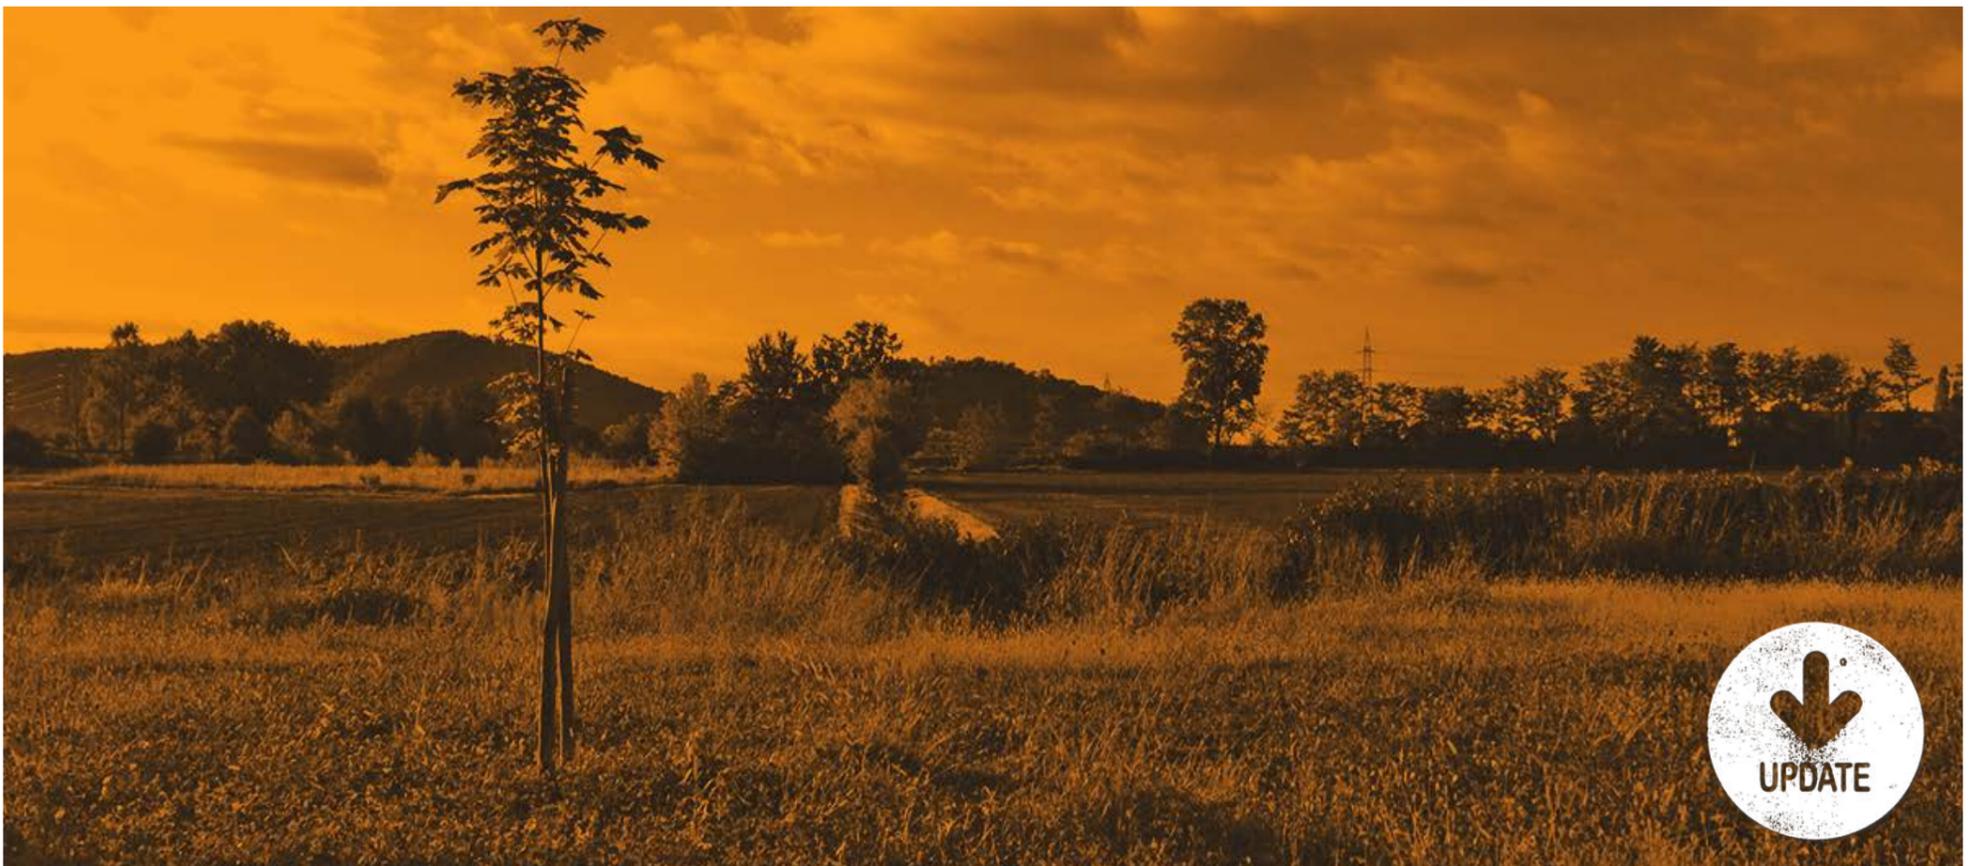

UPDATE involves **UNIVERSITY STUDENTS** and **YOUNG PROFESSIONALS** active in the fields of architecture and design, offering them the possibility to work in interdisciplinary teams for the implementation of targeted interventions of urban regeneration. The workshop aims to create a **PUBLIC SPACE** within a green area of municipal property in Provaglio Iseo. Participants will have to face the results of the **PARTICIPATORY PROCESS** started in the last months and find design solutions consistent with the local community expectations. The experience will explore, in addition to **EXTEMPORARY DESIGN**, techniques of **SELF-CONSTRUCTION** acquiring concepts, skills and handicrafts to build a place of meeting and social gathering. Participation is open to students, undergraduates and graduates in Architecture and Industrial Design.

**PARTICIPATION IS FREE** and **ACCOMODATION** in site will be offered by the Municipality at a nearby structure.

The workshop is open to **15 PARTICIPANTS**, selected through the call published on the site [www.saundsa.com](http://www.saundsa.com).

Applications must be submitted within **APRIL 18th 2014**

## URBAN UPGRADING PROCESSES

### self-construction workshop

may.11th.2014  
may.18th.2014  
Provaglio d'Iseo  
Brescia, IT

#### WHAT IS UPDATE

UPDATE # urban upgrading processes is the format of a workshop that operates by creating participatory projects resulting from a deep finding investigation conducted on the sites of intervention. The activities may involve, in addition to public institutions and citizens, local associations and schools triggering with young designers and architects from universities, a debate between users and future professionals that has as its goal the achievement and diffusion of high standards of urban quality through bottom-up dynamics.

UPDATE involves university students and young professionals active in the fields of architecture and design, offering them the possibility to work in interdisciplinary teams for the implementation of targeted interventions of urban renewal and regeneration. A real multidisciplinary research and production laboratory, participated and shared with the local communities that is set up as an engine of responsible environment transformation and of social, economic and cultural development.

#### GENERAL INFO

UPDATE#03 workshop, in its third edition, aims to create a public space within a green area of municipal property in Provaglio Iseo. Participants will have to face the results of the participatory process started in the last months and find design solutions consistent with the local community expectations. The experience will explore, in addition to extemporary design, techniques of DIY acquiring concepts, skills and handicrafts to build a place of meeting and social gathering.

#### ORGANIZATION

Participation in the workshop is free; educational materials, equipments and materials required for design activities and self-construction, will be provided by the Municipality of Provaglio Iseo.

The accommodation on site is offered for free to all participants selected at a nearby structure.

At the end of the workshop will be given a certificate of participation.

#### METHOD OF ENTRY

Participation is open to students and young professionals laureati in Architecture and Industrial Design.

To register for the workshop, please send a request to the email address [info@saundsa.com](mailto:info@saundsa.com) containing personal data, phone contacts and in the annex:

# 01. a short cv where you show any other similar experiences (participation in workshops, summer schools, etc.)

# 02. a motivation letter of maximum 1000 characters

# 03. one passport size photograph. jpeg, 300dpi resolution

You will receive confirmation of entry receipt within 24 hours by e-mail.

The workshop is open to 15 participants, who will be selected through the material sent by mail.

#### ENTRIES DEADLINE

Applications must be received by April 18th 2014 via e-mail.
